

Realize every student's potential **access. equity. diversity.**

Imagine a world where every person is able to fulfill their potential through equal access to and equity in educational options that lead to the entire spectrum of career choices. This vision inspires NAPE's mission:

NAPE builds educators' capacity to implement effective solutions for increasing student access, educational equity and workforce diversity.

NAPE's portfolio of research-based, strategy-driven curriculum continues to expand, providing more practical and proven applications to improve student success.

These 3 toolkits will be available by Spring 2017.

The National Alliance for Partnerships in Equity (NAPE) is a consortium of state and local agencies, corporations, and national organizations. The NAPE Education Foundation, Inc. was established in 2002 as a 501(c)(3) nonprofit in response to requests for assistance by education and workforce agencies across the nation.

The Foundation's work centers on providing professional development, tools and resources, and technical assistance and conducting research to enhance students' career options and ensure equitable learning environments in every classroom and for every student.

Together, we can make a difference.

Turnkey Implementation Toolkits

NAPE's series of turnkey implementation toolkits provide research-grounded strategies and processes designed to equip educators with new tools to reach, teach, and guide every student to realize their potential. Activities and lesson plans within the series are intended to be turnkey implementation tools for individual development and professional learning communities (PLCs), and, in many cases, for direct use with students. *Each of the toolkits serves as a workbook for an accompanying professional development workshop led by Certified Equity Instructors.*
